## "THE BOOK" IS ALMOST HERE:

You may have received a notice from McKeown that his 8th Price Guide To Antique & Classic Cameras..1992-1993 will (I hope) be out in mid-May. Remember, that the PSPCS will be ordering a large group of these books and you will save money if you DO NOT send in the discount card you got in the mail. It sounds like another great book..I can hardly wait!

## MARCH IS AUCTION MONTH:

This is the first month we are going to try an auction at our meeting. If you were at the last meeting you received an info. form to fill out. Here are the rules: 1. one item per member per month 2. all profit goes to owner 3. Time allotted to auction each month to be set by members 4. Items left over due to time limitation will be auctioned at next regular meeting. 5. NO JUNK 6. Minimum bid is optional 7. you decide on price range estimation.

This could become a very enjoyable part of our meetings IF people bring an item to auction..don't expect top dollar every time and BID! Lets give it a good try!

## KENT SHOW IS COMING

This will be the next to last meeting before our show. Now is the time to get a stack of flyers (we have 10,000) and give them out..put them up at work..mail them to a friend. We have found that word-of-mouth is one of the main ways eager buyers find out about our show. So, get your mouth working! And, thank you for your support!!!
